Contact your sales representative to explore a program that will help you maximize the return on your marketing investment.

***FleetOwner* 500 Awards**

The *FleetOwner* 500 Awards celebrate the largest private fleets in the business, and names the top operators across the 500 list for outstanding achievement and innovation across nine categories: Manufacturing/Processing, Food/ Beverage Distribution, Retail/ Wholesale Delivery, Utilities and Like Services, Construction, Cement/ Concrete, Petroleum/Gases, Sanitation Service.

Private Fleet of the Year

FleetOwner’s editors gather annually to discuss a select group of nominees to be considered for its Fleet of the Year awards. There is no formal nomination or application process for these awards; our editors interact with hundreds of fleets over the course of given a year and while all have valuable stories to tell, a few simply stand out from the rest – for their management skills, for their successes, and most of all, for their innovative approaches to excellence in fleet operations.

**The transportation industry's
most effective and longest
running networking event for
trucking fleets and vendors.**

June 16-18, 2025

Ponte Vedra Beach, Florida

Since 2013, the Trucking Summit has brought together high level decision-makers and industry-leading suppliers from all over North America. Fleet directors and owners attend the Summit because they want to make smart buying decisions; vendors attend the Summit because they want to meet the right prospects. Our proprietary matching system guarantees that participants will engage in focused meetings with the contacts they especially want to meet without the guesswork of a booth on a tradeshow floor. In the space of 48 hours, this unique event provides countless connections and business opportunities, condensing six months of sales meetings into two days.

Unique Webinar Formats That Deliver Qualified Leads

We have all the key ingredients for delivering a successful event and the ROI you want – engaged decision makers, subject matter experts, technology platforms, project management, and fully compliant lead delivery.

Webinar Formats

Webinars

Position your brand as a subject matter expert and connect with prospects who are seeking education on a topic or a solution to their challenge. Webinars are proven performers, generating powerful, engaging content that delivers lead generation and thought leadership. 📶

Virtual Round Table

Solving large, complex challenges requires perspective, input, and collaboration from a variety of key stakeholders. Bring together a powerful team of influencers for a real conversation around thought leadership topics and attract decision makers who are looking for answers, converting them to leads. 📶

Webchats

Take a more personal approach to webinars with this interview-style format that allows you to better build a narrative around your solution and create a personal connection with prospects. Shortened format for a fully interactive 30-minute experience that will generate leads and build affinity for your brand. 📶

Webinar Lead Touch

Engage webinar registrants leads post-event and move them toward a follow-up action with this program that includes a series of three emails to registrants for driving on-demand views and introducing related content.

A POWERFUL TOOL

Use webinars to engage audiences, demonstrate expertise, generate leads, gather insights, and enhance brand visibility.

Precision Marketing That Delivers Maximum Impact

Partner with our team of data, marketing, and subject matter experts to build strategies for personalization, enhanced experiences, optimized campaigns, and continuous improvement.

Data-Driven Marketing

Audience Extension

Leverage our 1st party data and create campaigns targeting the business decision-makers who match your criteria across thousands of sites on the web. Select from any combination of display ads, in-feed native, or video pre-roll ads on professional websites to reach your key audiences.

Audience Extension: Social

Drive higher CTR% and conversions using Meta (Facebook) and LinkedIn. We'll manage your campaign using a single image, carousel, or video ad and create targets based on website visitors, our 1st party data, or by creating look-a-like profiles.

Micro-Proximity

Target company locations, geographic targets, or attendees at a tradeshow or conference through micro-proximity or geofencing. Increase your brand awareness and drive traffic to your booth by placing display ads on mobile apps within the defined area.

Third-Party Emails

Using our 1st party data and insights, we reach your target audience through personalized emails. Our team of direct marketing experts will set up and deploy privacy-compliant HTML emails and provide full reporting metrics.

Connected TV (CTV)

Promote your brand where people are already engaged on streaming apps through a 15- or 30-second video placement. Your content can be featured before, in the middle, or after programming and targeting can be done by business/industry, NAICS codes, or company name/domain.

The Power of AI personif.ai™

Effectively reach specific personas by delivering personalized content recommendations using our extensive 1st party data, proprietary AI technology, and machine learning capabilities. Personif.ai, our AI-powered content marketing solution, leverages behavioral insights to provide on-site content recommendations that are aligned with editorial content, resulting in a highly impactful campaign that drives traffic back to your website.
